From the CE, ISP, Dowalaiswaram, Lr.No.CE/ISPP/
DCE/OT2/AF2/2796/MRS/Head works/Claims,
Dt:16-07-2008 & 15-12-2008.

ORDER;

In the reference read above, the Chief Engineer, Indira Sagar Polavaram Project has submitted that the Project area is situated in Rampachodavaram agency which is highly infested with malaria with the result the labour is not coming forward to work in this area. There are some structure works (bridges) on diversion road of same Gokavaram, Ramapachodavaram, Maredimilli road which are to be taken up urgently to divert the traffic and take up the dam work in the existing road portion. It is evident that no fruitful purpose will be served by inviting tenders for the diversion road for portion of Gokavaram to Ramachandrapuram road to be affected under Musurumilli Project which is to be completed on top priority. The executing agency of Head works of Musurumilli Project M/s.Srinivasa Civil Works Pvt.Ltd., has been contacted to take up the work. Accordingly the above proposal was discussed in the committee in their meeting held on 29-04-2008 and the committee considered to recommended the proposal of entrusting the work of diversion of portion of road from Gokavaram-Rampachodavaram to the executing Agency of head works M/s.Srinivasa Civil Works Pvt.Ltd., at the estimate rates prepared with current SSR.

2. Further the Chief Engineer, Indira Sagar Polavaram Project while submitting the 2nd proposal dt: 15-12-2008, proposed that the Agency and considering the targets fixed by the Government to release the water for the ensuing khariff through the project, the diversion road work is to be entrusted to other suitable agency as there is no response for other works like road bridges in respect of Bhupathipalem Project in the same area. As such, most of the agencies are not coming forward to take up works of this nature in the tribal areas. The (JV) firm M/s.Sudharama Infratech pvt. Ltd., Rajahmundry and M/s.Sri Ch.Venkateswara Rao, Special Class Contractor, Palakole has put in a representation to take up

the work at estimate rates and the firm has informed that they are having sufficient financial resources to complete the work in time and also having key and critical equipment and experience and requested the department for entrustment of work at the earliest.

(p.t.o.)

3. Government after careful examination, hereby permit the Chief Engineer, Indira Sagar Polavaram Project for entrustment of work to (JV) firm M/s.Sudharma Infratch Pvt.Ltd.,Rjahmundry and M/s.Sri Ch.Venkateswara Rao, special Class Contractor Palakole on nomination basis at estimate rates of 2007-08 under EPC System to complete the subject work of Musurumilli Reservoir Scheme Head Works (Package No.85) Execution of Gokavaram Rampachodavarm Diversion Road simultaneously with the main work by 30.04.2009.

4. This order issues with the concurrence of Finance(Expr.PW1)Department vide their U.O.No.780/82/Expr.PW.1/09-2, dt:17-01-09.

ORDER:-

Under the circumstances explained by the Chief Engineer., Indira Sagar Polavaram Project, Dowlaiswaram in the reference 4th read above, the Committee examined the proposal and recommended to Government for considering the tender of Sri Krishna Engineering Co & others for entrustment of construction of for the work of of DLR Bridge at Km. 2.305 on the diversion road of Rampachodavaram to Maredumulli road for Bhupathipalem Reservoir Project in view of the following reasons:-

1. The work is situated in the disturbed (tribal) area. The Bhupathipalem reservoir project is a prioritized project and the Government has also declared to release water for irrigation from ensuing Khariff 2009.
2. Leads for sand and aggregates of 4.00 Kms and 0.50 Kms respectively were considered from local vagu and Hillocaks based on the main estimates, but the sand is to be obtained from the river Godavari near Vangalapudi, which is at 60Kms away from the Project site and aggregate from Kothapalli, which is 35 Kms away.
3. The project being situated in Malaria Infested area, getting imported Labour is becoming difficult as being experienced in other works of the project.
4. There is no response for earlier '6' calls and there was no response from the bidder all the times and there is no hope of getting any response for further calls.

5. The tender contract value of the work, when compared with the modified ECV considering the current SSR 2008 -09 together with agency allowance

of 25% and LA & LI of 13% (which are allowable as per SSR 2008 - 09) works out to 2.37% excess.

2. Since the premium is exceeding maximum limit of 5% stipulated in the G.O.Ms.No.133, I & CAD (PW) Deptt., dt:20.11.2004. The Committee recommended to Government to entrust the work to M/s. Sri Krishna Engineering Co and Others for Rs. 3,27,26,107/- as a special case in terms of G.O. 2nd read above.

3. After careful consideration of the proposal of the Chief Engineer, Indira Sagar Polavaram Project and the recommendation of the Committee, Government hereby accepted the proposal to entrust the work "Construction of DLR Bridge at Km. 2.305 on the diversion road of Rampachodavaram, Maredumilli road for Bhupathipalem Reservoir Project" to M/s.Sree Krishna Engineering Co. & Others Rajahmundry for Rs. 3,27,26,107/- (Three Crores Twenty Seven lakhs Twenty Six thousands one hundred and Seven Only) as a Special Case.
